Dear Neil O'sullivan,

**Environmental Permitting (England and Wales) Regulations 2010
Confirmation of Registration**

Exemption Ref: NRW-WME011596

Location of the Operation: CF10 5DF

Following receipt of your submission, we can confirm that we have now registered the operation(s) listed on the attached schedule, as exempt under the above Regulations, at the site shown.

If any of these exempt operations were previously authorised by a permit which you now consider to be redundant, please contact our Customer Care Centre on 0300 065 3000 so that we can explain what will happen to your permit.

The exemption(s) will remain valid at this site until 10/08/2019 10:57

If your operations change at anytime during the registration period and you wish to add or remove exemptions at your site, please contact our Customer Care Centre on 0300 065 3000

Although the above operations are now registered they remain so only whilst you operate within the terms and conditions of those exemptions and whilst you do not cause any pollution, harm to human health or detriment to amenity. It is a criminal offence to carry out these types of operation without an exemption or environmental permit. It is your responsibility to ensure that you know what the legislation requires and that you operate within it.

If you have any queries about this matter please contact us by telephone on 0300 065 3000 or email us at enquiries@naturalresourceswales.gov.uk quoting your site reference number NRW-WME011596

Yours sincerely
